**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a prescriber of Sonic and previously prescribe to either At&t or Comcast and that's it. The 2 company are very similar and not much different in term of price and services. I am so happy with Sonic, the speed is so much faster and reliable and it is a competition with both big boys.

Please help the consumer and allow us to have more choices and no to price hikes. the phone service that comes with the internet are excellent and much better than the AT&T that I used for years.

The fiber is light years ahead of DSL.

Thanks for your help.
